

Volume 28, Number 3**In this Issue**

- **Editorial** 01 page
Pramod S. Joag
- **A simple way to solve the brachistochrone problem with resistance** 05 pages
Archishman Raju
- **On the E-L equation and Snell's law for massive particles : a mathematical revisit** 04 pages
D. N. Basu
- **Stern-Gerlach Experiments and Complex Numbers in Quantum Physics** 05 pages
S Sivakumar
- **Physics Through Problem Solving - XXIV: Poisson Brackets** 06 Pages
Ahmed Sayeed
- **Physics Through Teaching Laboratory XXI - Compound Pendulum** 09 pages
S R Pathare, R D Lahane, S S Sawant and C C Patil
- **Quantum View of Mass** 12 pages
Ahmed Sayeed
- **Estimating the Pressure of a Gas in a Balloon and Motion Through Resistive Media** 03 pages
Sanjay Harrison, Sindhu Vincent
